How useful are urinary incontinence nursing diagnoses? (Creason). 1992;12:46-7
Nursing homes
Promoting continence in Australian nursing homes: a national project (Gardner). 1992;12:83 (Clin. insight)
Nursing service
Establishing a nurse continence service in Canada (Saltmarche). 1992;12:81-2 (Clin. insight)

Office care
Management of adult genitourinary emergencies in the office (Moran). 1992;12:140-3

Pads
Which pad is for you? (Bierwirth). 1992;12:75-7 (Clin. insight)
Patient education
Use of a red latex balloon as a teaching tool (Sackett). 1992;12:16-7
Pearls from the AUAA assembly
Pearls from the AUAA assembly. 1992;12:147
Pelvic muscle
Effectiveness of vaginal cones in treatment of urinary incontinence (Moore and Metcalfe). 1992;12:69-72
Pelvic muscle reeducation as a nursing treatment for incontinence (Newman and Smith). 1992;12:9-15
Penis
Diagnostic testing for erectile dysfunction (Sprouse). 1992;12:89-95
Erectile dysfunction (Aikey). 1992;12:96-100
Percussion
Percussion after extracorporeal shock wave lithotripsy (Lafrades). 1992;12:112-4 (Clin. insight)
Peripheral lines
Intravenous access. Part 1. Peripheral IVs (Rostad). 1992;12:18-22
Peritoneoscopy
Laparoscopy: new applications of an established technique (Lyons and Sosa). 1992;12:2-6
Pocket Look
Quick Look and Pocket Look: urology reference guides for nurses and residents (Rauscher). 1992;12:117 (Clin. insight)
President's message
Working toward our goals (Reilly). 1992;12:88
Professional enhancement
Educational offerings. 1992;12:28, 86, 118, 148
New products. 1992;12:29-30
Recognition of our achievements. 1992;12:31-4
Prostate
Disposable needle guides for use with transrectal prostate biopsies (Lloyd). 1992;12:24-5 (Clin. insight)
Prostate cancer
Prostatic specific antigen in prostate cancer (Wozniak-Petrofsky). 1992;12:104-5
Screening for prostate cancer: PSA blood test, rectal examination, and ultrasound (Moore et al). 1992;12:106-7

Quick Look
Quick Look and Pocket Look: urology reference guides for nurses and residents (Rauscher). 1992;12:117 (Clin. insight)
Reader survey
1991 reader survey valuable source for journal planning (Bates). 1992;12:1 (Editorial)
Recognition of our achievements
Recognition of our achievements. 1992;12:31-4
Rectal examination
Screening for prostate cancer: PSA blood test, rectal examination, and ultrasound (Moore et al). 1992;12:106-7
Reference guides
Quick Look and Pocket Look: urology reference guides for nurses and residents (Rauscher). 1992;12:117 (Clin. insight)
Reimbursement
Reimbursement for incontinence products (Motta). 1992;12:50-1

Scrotum
Draining a hydrocele (Quinlan). 1992;12:27 (Clin. insight)
Sexual function
Diagnostic testing for erectile dysfunction (Sprouse). 1992;12:89-95
Erectile dysfunction (Aikey). 1992;12:96-100
Sterilization
Issues in sterilization and disinfection (Steelman). 1992;12:123-7
Stroke; *see* **Cerebrovascular disorders**
Surveys
1991 reader survey valuable source for journal planning (Bates). 1992;12:1 (Editorial)

Teaching tools
Use of a red latex balloon as a teaching tool (Sackett). 1992;12:16-7
Terminology
Call it contrast, but do not call it dye (Sueppel). 1992;12:23 (Clin. insight)
How useful are urinary incontinence nursing diagnoses? (Creason). 1992;12:46-7
Toilets
Managing incontinence through managing the environment (Wells). 1992;12:48-9

Ultrasonography
Screening for prostate cancer: PSA blood test, rectal examination, and ultrasound (Moore et al). 1992;12:106-7
Urinary incontinence
The ABCs of product selection (Faller and Jeter). 1992;12:52-4
Continence management for the frail elderly and cognitively impaired (Duffy). 1992;12:66-8
Effectiveness of vaginal cones in treatment of urinary incontinence (Moore and Metcalfe). 1992;12:69-72
Electrostimulation in the management of voiding dysfunction (Gray). 1992;12:73-4 (Clin. insight)
Establishing a nurse continence service in Canada (Saltmarche). 1992;12:81-2 (Clin. insight)
How useful are urinary incontinence nursing diagnoses? (Creason). 1992;12:46-7
Implementation of a hospital-based home care continence program (Hesnan and Runner-Heidt). 1992;12:78-80 (Clin. insight)
Joseph Continence Assessment Tool (Joseph). 1992;12:144-6 (Clin. insight)

Urinary incontinence, cont'd
Managing incontinence through managing the environment (Wells). 1992;12:48-9
Pelvic muscle reeducation as a nursing treatment for incontinence (Newman and Smith). 1992;12:9-15
A practice guideline for urinary incontinence: the challenge to nurses (McCormick et al). 1992;12:40-5
